## HOTEL RANDERS

Is one of the oldest hotels in the country, located in the heart of Randers. The hotel was built in 1856 and is still **the city's leading business hotel**. The location oozes with atmosphere, history and quality, and its décor, original artwork and beautiful details are themselves worth a visit,

Hotel Randers has 79 individually decorated rooms, including nine suites and three antique rooms. All rooms have a television, bath and telephone, and we offer around the clock room service. The hotel is located near the train station, and there are bus connections to the airport. The motorway is also only a ten minutes drive away, **and guests are welcome to park in the hotel's underground garage.**

Celebrations and arrangements at Hotel Randers are characterized by a dedication to food culture, service and quality. At Hotel Randers we host both board meetings and conferences of up to 100 attendees. We arrange everything from small, intimate dinners to private parties for up to 120 people.
